FANTASTIC START TO THE NEW YEAR

2024 ended on a high note with the new FOFS committee forming. We are very grateful to the new committee for taking up the reins and continuing the fun fundraising activities at Fishbourne Primary School. Rosie Triggs and Gemma Connor are the new co-chairs; Jo Bate is the new Secretary; and Hannah Bodley Jackson is the new Treasurer. If you see any of these lovely ladies around school, please say hi and lend a hand. They are organising some fantastic events this year and volunteers are always needed. Watch this space!
