

Re-connect - Re-group - Refine

Fishbourne CE Primary recognises that the autumn term of 2020 will be a key time to re-connect with the children and families who make up our learning community. It will be essential that we take the time to **re-connect, re-group and refine** our provision for the children's safety, wellbeing and engagement with learning. The initial priority will be ensuring the children are ready to learn and that the school environment feels safe to all children and staff. Following this the school will set out to establish the children's starting points and personalise learning to meet their needs.

Priority 1	Priority 2	Priority 3	Priority 4
MATHS - To explore and prepare a robust mathematical pedagogy rooted in the principles of mastery.	CURRICULUM - To move into the delivery phase of the curriculum maps that balance skills and knowledge within our learning experience approach by personalising learning highly effectively to meet the needs of all learners.	BEHAVIOUR - To explore, prepare and deliver a Behaviour Policy that reflects the vision and values of Fishbourne CE Primary School.	WRITING - To deliver well sequenced steps of writing development within learning experiences.
