FOFS GETS BUSY WITH TWO SUCCESSFUL EVENTS & SPRING CLEANING

The new FOFS committee hit the ground running this term and hosted 2 successful events: Bend the Rules Day and Pre-loved Uniform Sale. Bend the Rules Day is always a lot of fun - for the children especially! They thoroughly enjoyed planning which rules they would break and what to wear on the day. See UPCOMING EVENTS for more fun events planned this year!

FOFS have also been hard at work cleaning out the old, and making plans for the new! The committee spent a few hours going through resources in the FOFS cupboard and shed sorting out years of clutter. Nothing like a good Spring Clean!
