“PEOPLE WHO HELP US” ASSEMBLIES

The amazing team of ladies behind FOFS recently organised a truly inspirational week of assemblies themed “Everyday Superheroes”. The children had visits from a dentist who talked about taking care of people’s teeth, a family therapist taking care of people’s feelings, a nurse (who even had some bandaging demonstrations!), the Sussex Police Force (with four legged helpers, Billy and Domino) and finally, the West Sussex Fire & Rescue Service who brought their big fire engine on to the school field! What a week of excitement. All wonderful everyday superheroes making our world a better place to be. Thank you FOFS!
