

## Review of Attainment and Progress Fishbourne Church of England Primary School 2024/2025

*Children do not learn in a linear way...  
their minds flip and switch, weave, re-tread, dip and soar across a year!*

At Fishbourne, we are passionate about supporting every child on their unique journey through school. We seek to personalise children's journey of learning during their time with us to ensure that they make the best possible progress and we do this by getting to know them as well as possible as learners. As a learning community, we have reflected carefully on what we want to know about our children's learning and how we will use this knowledge to help us to make a difference to the education we provide within school. Ultimately, we want to know where the challenges are, how our children develop over time, where to focus our efforts and whether or not these actions have been effective.

Standardised tests are one way of looking at children's attainment and progress, we know that there are many other ways to measure children's development and value these equally as much. This report provides information only about statutory assessments that the children complete at key points during school. Please do explore our website for more information about children's other achievements and experiences at Fishbourne Primary.

### Key Stage 2 Attainment and Progress:

% of children in Key Stage 2 meeting Age Related Expectations					
Key Stage 2	Reading	Writing	Maths	GPS	Combined (RWM)
School	97%	87%	87%	90%	81%
Local Authority	75%	67%	73%	-	58%
National	75%	72%	74%	73%	3%
% of children in Key Stage 2 at Greater Depth					
Key Stage 2	Reading	Writing	Maths	GPS	Combined (RWM)
8School	47%	18%	27%	43%	11%
Local Authority	33%	9%	24%	-	6%
National	33%	12%	26%	29%	8%

Scaled Scores			
Key Stage 2	Reading	Maths	GPS
School	108.7	105.8	108.6
National	106	105	105

### Year 4 Times Table Check:

The Multiplication Tables Check (MTC) is a key stage 2 assessment to be taken by pupils at the end of year 4. The MTC's purpose is to ensure the times tables knowledge is at the expected level. The Multiplication Times Tables Check is an online test where the children are asked 25 questions on times tables 2 to 12. For every question, the children have 6 seconds to answer, and in between the questions, there is a 3-second rest. Questions about the 6, 7, 8, 9, and 12 times table come up more often. The questions are generated randomly based on the rules of the MTC.

In 2025, 37% of children at Fishbourne Primary scored full marks and the average score was 23.03

### Year1 Phonics:

The Phonics Screening Check is a test for children in Year 1. Children take it during June in a one-to-one setting with a teacher. Whilst children learn phonics to help them with both word reading and spelling, the Phonics Screening Check only tests their skills at word reading.

School	79.3%
Local Authority	79.2%
National	80%

### Year 2 Phonics:

100% of children passed the phonics screening check.

### Early Years:

Children are defined as having reached a Good Level of Development (GLD) at the end of the EYFS if they have achieved at least the expected level for the ELGs in the prime areas of learning and the specific areas of mathematics and literacy.

School	73%
Local Authority	67.5%
National	67.8%
