## SCARECROWS & WINTER WONDERLAND

Fishbourne enjoyed another successful Scarecrow Trail this year, led by Jenny Hinton, who has now been at the helm for three years. The community's support was outstanding once again, with an impressive 84 scarecrows proudly displayed around the village, each one bringing colour, humour, and imagination to the event. FOFS hosted a fantastic school disco themed "Winter Wonderland". Children danced the evening away under sparkling lights, enjoying music, treats, and plenty of festive fun. A huge thank-you to everyone who helped organise and attend - your support makes events like this truly memorable for all children at Fishbourne.

FOFS also held in inaugural meeting with our Little Fish committee. They shared lots of thoughtful suggestions for future events, along with brilliant ideas for improving the activities we already offer. Their enthusiasm was inspiring, and we are excited to explore their proposals, including some special treats planned for the whole school.
