January 2026

Dear Chameleons Families,

We do hope that you have all had a wonderful Christmas and enjoyed some family time together!

This term, we will be extending our CREW sessions each morning. Last half term, we practised; appreciations, apologies and making a stand. Next, we move into our CREW curriculum, with each day having a different focus.

Monday – Connecting

Tuesday – Mirrors (Books that reflect our lives)

Wednesday – Windows (Books that give insight to the lives of others)

Thursday – Devotions

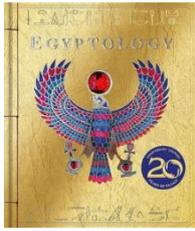

Friday – Celebrations

Do ask you children about this important part of our school day that builds on relationships and connection! For more information do look at our school website.

This half term we have some exciting Learning Experiences ahead!

We come back to our whole school PSHCE Learning Experience about Health and Wellbeing! In this short, week-long experience, we will be focusing on 'Why should we eat well and look after our teeth?'

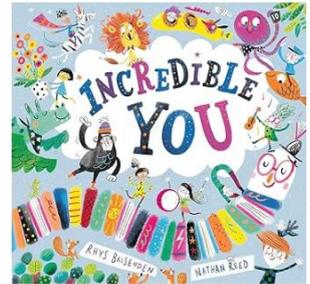

Egyptology

We will next immerse ourselves in the world of the Ancient Egyptians, in our second History Learning Experience! We will be looking at their rulers, rituals, writing and achievements. Our End Goal will be to write instructions for the mummification process!

Incredible You!

This Learning Experience will be a time to reflect on ourselves as learners as the children embark on writing their contributions for their school report! We will think about what learning looks like and what it feels like to be 'stuck'. It will be a time to celebrate success and think about how we can make our work even better.

Feel the Force!

In this Science Learning Experience, we will be learning all about magnets. We will explore the uses of magnets in everyday objects as well as make predictions, investigate, test and experiment!

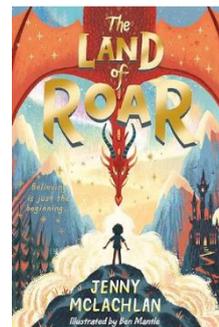

The BFG

We are excited to have another theatre trip booked based on our next class read! Not only will we enjoy the show, we will also take part in a Schools' Workshop at the theatre too! More on this to follow. This Learning Experience will also see us work in collaboration with the other primary schools in the Bishop Luffa Learning Partnership.

Did you know that this is the National Year of Reading? We always want to inspire and motivate the children to read and have some exciting bookish events coming up! This includes an author visit from Jenny Mclachlan, who wrote 'The Land of Roar' series! (19.1.26). There is also more to come about our new Patron of Reading! Please continue to encourage your

child to read at home and document this in their Reading Diary (they can record this themselves). If your child needs help selecting a new book, please direct them to us for a recommendation!

PE with Curtis will continue on Wednesday afternoons. Please ensure that your child has their full kit in every Monday. They will return from school wearing it that day and it will not be needed until the following week. Their second PE session will be their swimming lessons on a Tuesday afternoon.

Please continue to make sure that Home Learning is returned on time. This really helps with our organisation of getting it back to you on the correct day. Do chat to us if this is an issue.

Thank you for your ongoing support, we appreciate you. As always, do come and chat to us if you have any questions or concerns.

Best wishes,

Emily Harris
