CHRISTMAS ACTIVITY ROUND UP

Once again, our amazing PTA brought festive cheer to our school this Christmas. The various Christmas events organised by FOFS were well supported and useful feedback has been noted for future events. We think the nativity refreshments were less profitable this year due to the table being by the door, meaning families didn't want to leave the queue. The FOFS committee discussed various options to enable parents to make purchases while keeping their place in the queue. The sale of Christmas cards in school remains popular and FOFS volunteers have kindly offered to help in classes with creating them this year. The Christmas wreath workshop was a great success with a record 28 attendees and is booked again for 3 December 2026. The Christmas hamper had an excellent response with delicious goodies going into high-quality hampers for the winners. The highlight of the Christmas calendar is definitely "Elfridges" which is organised annually by a dedicated FOFS parent and run by a team of enthusiastic parents. Thank you to all our wonderful Fishbourne families for supporting what is an exciting time of year for our children 😊
