Dear Families,

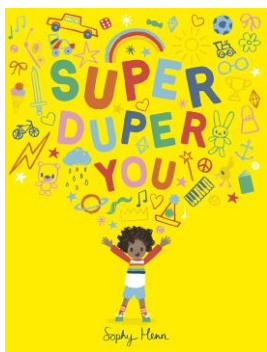

Welcome back to the beginning of the summer term! We are missing you all very much but it's good to know you are safely at home. We have really enjoyed hearing from you via email, letter, card, postcard and even some films. Do keep them coming! The cheery waves as you walk past school are also very warmly received. Thank you so much for keeping in touch with us!

Your learning letters for this week are now on the school website with more learning activities you can be keeping busy with at home. These are also available for collection in the lobby area of the school reception. Thank you for all the fantastically positive feedback you have sent in which has encouraged our staff team enormously. We hope you will enjoy what is on offer this week. Do remember, we have a teacher on the line every weekday between 10.00 and 11.00am who would be delighted to chat with you should you need any further advice or support. The teaching team will also be monitoring class email addresses again from today so please do get back in touch!

We are aware there are many other brand new resources being created nationally for home learning which you may like to use to supplement the learning letters we are writing for our children at Fishbourne. You may have heard about these in the media. These can be found:

Our school vision, 'only one you', is rooted in our core belief that we are all uniquely different and have something important to contribute to the world. This wonderful book by our Patron of Reading, Sophy Henn, is a reminder of this and I hope, at the beginning of this summer term, you will share the story with your family using the QR code below.

**'Please try to remember; with everything you do...
Be bold be proud be brilliant... a super duper you!'**

We are so proud of all our super-duper little fish and we are looking forward to seeing you all again when it is safe for us to open our doors. In the meantime, do take care and keep in touch.

With all our love and thanks,

Naomi Day and the staff team

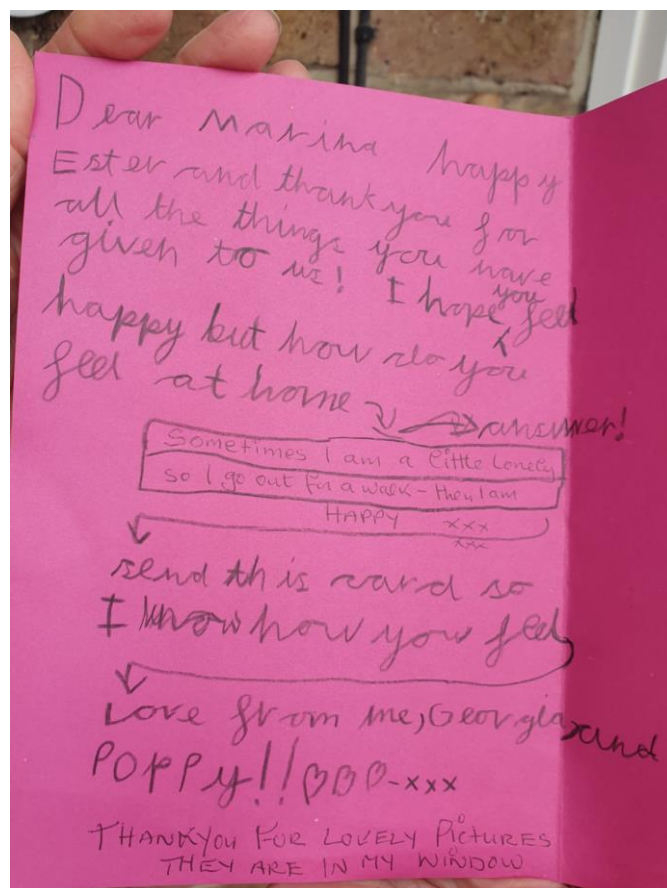

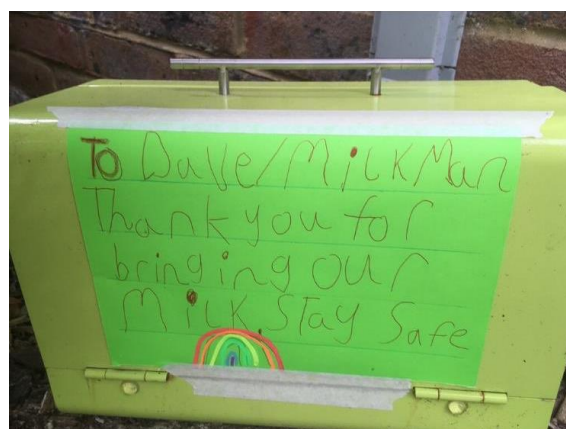

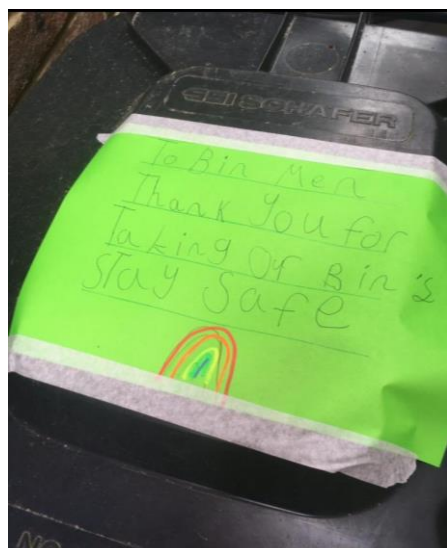

A huge THANK YOU to those of you who sent in your wonderful photos of ways you have been setting out to make the world a better place.

Juno and Joshy have been making lovely cards to go in vegetable boxes for people in the community around Tuppenny Barn. How lovely! ☺

Teddy has been thinking of people she can say thank you to... so far that's included the people who remove the bins, the postal service and Dave the milkman! I am sure they will have been thrilled to receive these lovely messages!

Austin, Georgia and Poppy have been keeping an eye out for one of their neighbours and sending her cards and pictures which she has been putting up in her windows!

Remember, that we have a member of teaching staff on the phone line every day (including during the Easter holidays) between 10.00 and 11.00am. This might be a query about your learning letter, a supportive chat or a conversation with your child! We would be very happy to support you in any way we can.

Our telephone number is: 01243 785974

There is also the Fishbourne Volunteer Squad who would be so happy to be able to offer support to anybody at this time:

Are you a local hero and staying at home for Fishbourne?

We know it can be a tough choice to do the right thing and self-isolate, so we want to make it a little easier for you. If you need help with shopping for essentials including prescriptions and utility top ups, letter posting, dog walking or simply a chat to escape the boredom, we have volunteers ready and willing to help.

Or would you like to join us and become a volunteer?
