

Fishbourne Church of England Primary School

Acceptable Use Agreement Children

Lead member of staff	Head teacher
Date of Publication	Summer 2021
Review Date	Summer 2024

At Fishbourne Church of England Primary School we start with the WHY - our core belief drives all decision making. We think deeply about the HOW, using our core belief to guide decisions on a day to day basis. Finally we decide WHAT action brings our belief to life.

Our core belief is that:

***'There is only one you in this great big world...
...make it a better place'***

This core belief is at the heart of why and how we create our policy and the policy in action.

God you made me; you created me. Psalm 119

This acceptable use policy is intended to ensure:

- that young people will be responsible users and stay safe while using the internet and other communications technologies for educational, personal and recreational use.
- that school/academy systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.
- that parents and carers are aware of the importance of online safety and are involved in the education and guidance of young people with regard to their on-line behaviour.

The school will try to ensure that *children* will have good access to digital technologies to enhance their learning and will, in return, expect the *children* to agree to be responsible users. A copy of the children's acceptable use agreement is attached to this permission form, so that parents/carers will be aware of the school expectations of the young people in their care.

Parents are requested to sign the permission form below to show their support of the school in this important aspect of the school's work.

As the parent/carer of the above *students/pupils*, I give permission for my son/daughter to have access to the internet and to ICT systems at school.

I understand that the school has discussed the acceptable use agreement with my son/daughter and that they have received, or will receive, online safety education to help them understand the importance of safe use of technology and the internet - both in and out of school.

I understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure that young people will be safe when they use the internet and systems. I also understand that the school cannot ultimately be held responsible for the nature and content of materials accessed on the internet and using mobile technologies.

I understand that my son's/daughter's activity on the systems will be monitored and that the school will contact me if they have concerns about any possible breaches of the acceptable use agreement.

I will encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's online safety.

Permission Form

Parent/Carers Name:

Student/Pupil Name:

This is how we stay safe when we use computers:

- I will ask a teacher or suitable adult if I want to use the computers/tablets
- I will only use activities that a teacher or suitable adult has told or allowed me to use
- I will take care of computers/tablets and other equipment
- I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have done something wrong
- I will tell a teacher or suitable adult if I see something that upsets me on the screen
- I know that if I break the rules I might not be allowed to use a computer/tablet
